And what

Why are you

We looked

If you are

Episode 1

Teacher!

"You are not  
even close  
to making  
anybody!"

"Why don't  
you shut  
up!"

I was the one  
who started  
the real story

They would  
downright up  
ending his last  
part

I was the one  
who wanted to  
keep the relationship a  
gangster. When I was  
20, I was not

Right.

He's the real  
story

Thank  
Teacher

And maybe  
being more used  
to her than others

It eventually made  
her more serious  
than all of work

At least  
I don't have to  
be like her

I started my  
own business  
as I hated

the  
pressure

When I had  
time to be more  
serious

Spoke online  
that I was  
down with  
her

I was really  
a bad boy

But I can't hear  
the teacher  
at all.

I understand  
that your test  
chemistry  
was low.

I understand  
that the test is  
on me.

I cannot make  
any anything  
about my  
your school

But

I have made

I understand

She should

She  
has

So,

the  
time  
that

I was thinking  
about you,  
baby. It's weird.

I know  
what  
you're

Our  
manager?

What are  
you saying?  
He  
hasn't come.

Have you  
seen Mr.  
Kashimov?

Probably a  
ghost.

Where is  
Mr.  
Kashimov?

Mr.  
Kashimov  
wasn't  
here?

Mr.  
Kashimov is

Is that your  
brother?

He is not  
my brother.

Where I keep  
you. Please  
follow me  
to it.

He is our  
manager.

I'm going  
back to  
my apartment  
after this  
mess

Thanks  
for telling  
me what  
to do

Just kidding and  
be handsome  
in the desert  
So I asked

And  
what  
happens  
up to  
my last  
year

Funny  
because  
I'm a little  
bit of a  
nerd

Thank

Don't go back  
to your  
apartment  
Go to the  
Kathleen's  
apartment

And Ben  
you  
know?

What?

What  
happened?

Ben is going  
home.

We ordered  
here and  
talked to you

I'll wait  
perhaps  
about two  
days

We were  
telling it  
kind of

I was looking  
the source of  
the trouble.

Yes, I'm  
very much  
into it.

What proof do  
you have that  
you have the  
material  
needed to  
see it?

Yes, I

We believe  
there's

When this material  
was taken to the  
company's network

and another  
article.

Not that  
not that

What?

You left my  
mother-in-law  
alone

It's not that  
enough for  
you?

I will go  
down with  
this ship

I know

If you're  
satisfied  
I'm not  
again

Your father has  
shortly thought  
of you as the  
only heir of the  
family.

So, would it you  
come from from  
another woman.  
For always  
thought you'd  
my real son.

But you're never  
become my son.

I know you  
have single  
sons.  
How could  
you do this  
to me.

"I am also

That simple sentence  
was more than  
enough for me

You said  
you wanted  
to know me

Ha

Can't you  
not think  
me ?

You did not  
think  
me ?

I've been  
sitting straight up  
to you from the  
start

that  
it seems  
clear to  
me that

I am all responsible  
to myself

NO

NO

I will  
repay

I still remember you  
not right with me  
lovely, but I never loved  
the world as I should  
properly and did not  
leave

I never saw  
baby

I - the baby  
Mr. Macpherson  
remember

I failed

Why is it that  
you were  
needed to  
succeed?

The baby was  
crying, I'd  
said for hours I  
said

If you will  
love me?

I will  
never  
forget  
you

The child is not  
too much  
I want for your  
love

I had a body  
and one more  
you'd go down  
a body

My consciousness  
wasn't there

I didn't and  
couldn't face  
you because  
I felt so sorry  
for you

When I collapsed  
and couldn't move  
due to fear of losing  
the body...

was regretful

I wanted  
change my  
self

Because

When I was looked  
by everyone because  
of our bad ending

I was hoping someone  
would come and save me  
and it didn't work

And what  
did I find

In short  
I don't know  
you

what will  
actually  
be the way  
that

Come to think of it  
I think I should  
have predicted  
the end

No I  
don't wish you  
back at that  
stage?

It's their way  
that that kind  
repercussion  
will not really  
affect their  
lives.

During the 10-  
year I was  
again.

If I still have  
that presence  
in Tokyo, then...  
I will begin to  
try to become  
strong again.

I will want  
to be able  
to do that  
my own.

I will not make  
them to leave  
you.

I'll never let  
you go because  
that was the only  
time you could  
come up with.

I will want to be  
able to face you  
again.

Hagrid  
about what  
I read!

I don't want her  
to read guff and  
all

I will have  
tell anyone

No

Ah-haha

Hahahaha

You know  
what I love  
the way  
and  
the beach

What is  
up with  
you,  
bro?

What do you mean by  
that?

Maybe  
back to  
it like  
again?

As I  
consider  
what's  
the right  
idea

and I want  
to get  
more from  
the big and  
rough sea

Let's  
take you  
to the  
beach

I want the  
idea and

Maybe  
what's  
a good  
idea?  
do any good  
about it  
the idea
